

International Workshop on Advanced Ceramics for the Future (ACF-2012)
Department of Metallurgical and Materials Engineering
Indian Institute of Technology-Madras, Chennai 600036, India
Email: keramik2012@gmail.com
URL: <http://www.mme.iitm.ac.in/nvrk/acf-2012.html>

Visa

The invited speakers from overseas are requested to apply for their visas at the Indian Consulate as early as possible. IIT Madras can assist them in speeding up the visa processing if they let us know in which city of the Indian Consulate they intend to apply. Regarding any issues related to visa processing, please do not hesitate to contact the conveners.
